Wherever possible we buy our ingredients from local farmers and growers. Our menus change regularly to make the most of the fresh crop and local specialities. Our meat is all free range and comes from local farms & butchers. Pork comes from Chris at Downland Farm Produce where he rears animals in a natural environment. The pigs live happily in natural surroundings all year round. Our other butchers are Walter Rose, Devizes. Our fish comes from British waters, through Kingfisher of Brixham. Their ethos on freshness is 'local sourcing means fresher fish.' Lovejoys provide us with local vegetables from Bromham. Our Free-range eggs come from happy chickens at Southview, Corsham. Dry goods from Ashton Farms, Bowerhill
