We purchase ingredients seasonally whenever possible. Our menus change regularly to make the most of the fresh crop and local specialties. Our butchers are Walter Rose, Devizes, Downland Produce, Bowerhill, Buxton Butchers, Bristol. Our fish comes from British waters, supplied through Kingfisher of Brixham. Their ethos on freshness is 'local sourcing means fresher fish.' We only buy day boat fish. Lovejoys provide us with local vegetables from Bromham. Our barn eggs come from happy chickens at Southview, Corsham. All our cakes and biscuits are baked on the premises; gluten free alternatives are available on request. Jams and chutneys are freshly prepared in our kitchens.
